*Awaken your skin's natural glow
embrace luminosity*

INTRODUCTION

The main ingredient in **Citrus Toner** is **Citrus Reticulata (Tangerine) Peel Extract**, which helps to improve the transparency and brightness of the skin. Besides, the presence of **Aloe Barbadensis Leaf Juice** helps soothe the irritated skin to reduce redness and heal the wound. **Sodium Hyaluronate** acts as a potent moisturizing agent, which is smaller than hyaluronic acid and can penetrate deeper into skin, thus providing intense hydration beyond the skin's surface. In addition, **Sodium Polyglutamate** enhances the elasticity and softness of the skin.
