

Avocado

Cleanser Cream

*Cool hydration for pure comfort,
a refreshing touch for your skin*

INTRODUCTION

Avocado Cleanser Cream is a mild but effective facial cleanser that draws out impurities, excess oil and pollutants without drying the skin. The main ingredient is **Persea Gratissima (Avocado) Fruit Extract**, which is rich in vitamin E to leave dry and chapped skin feeling nourished and hydrated. **Sodium Methyl Cocoyl Taurate** acts as a mild amino acid-based surfactant that comes in delicate and smooth forms that remove excess sebum. **Allantoin** helps to hydrate the skin, reduce itchiness and heal wounds, thereby improving the overall texture and appearance of the skin. **L-Menthol** provides a cooling sensation to the skin and calm skin irritation, thus promoting a clearer skin.
