

# Sakura

## Cleanser

*Purify, hydrate, brighten  
and smooth your skin*

### INTRODUCTION

**Sakura Cleanser** is a mild but effective facial cleanser that draws out impurities, excess oil and pollutants without drying the skin. **Prunus Yedoensis Leaf Extract** acts as main ingredient to improve skin roughness and whiten the dull skin. **Sodium Methyl Cocoyl Taurate** acts as a mild amino acid-based surfactant that comes in delicate and smooth forms that remove excess sebum. **Allantoin** helps to hydrate the skin, reduce itchiness and heal wounds, thereby improving the overall texture and appearance of the skin. **L-Menthol** provides a cooling sensation to the skin and calm skin irritation, thus promoting a clearer skin.

### MAIN INGREDIENTS

#### Prunus Yedoensis Leaf Extract

- ✦ Helps improve the skin roughness
- ✦ Reduces skin inflammation
- ✦ Whitens dull skin, creating a luminous appearance

#### Sodium Methyl Cocoyl Taurate

- ✦ Gentle Cleansing
- ✦ Impurity and Dirt Removal
- ✦ Non-Drying

#### Allantoin

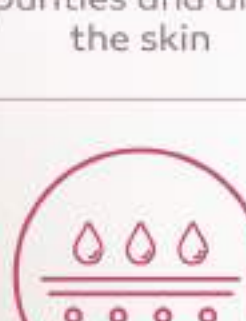

- ✦ Helps to hydrate the skin
- ✦ Reduces itchiness
- ✦ Heals wounds
- ✦ Improves the overall texture and appearance of the skin

#### L-Menthol

- ✦ Provides a cooling sensation
- ✦ Calms skin irritation and itching
- ✦ Diminishes the appearance of blackheads and whiteheads
- ✦ Promotes clearer skin

### MAIN FUNCTION

Removes excess sebum, impurities and dirt on the skin

Skin moisturizing & hydrating

Improve skin roughness

Skin whitening

#### PH

5.0 - 7.0

#### APPEARANCE

Opaque pink cream

#### SUITABLE SKIN

All skin types

### DIRECTION FOR USE

#### Step 1

Take a coin-sized amount of the cleansing gel and work between hands, then apply to the face.

#### Step 2

Massage the skin, including the neck, then gently rinse off with lukewarm water.

#### Precaution/Warning

If the product is directly introduced into eyes, immediately rinse eyes until no more irritation. If irritation persists, seek medical advice.

#### Storage Conditions

Room Temperature (24-27°C), please avoid High temperature storage.

Period-after-opening (PAO) 12M.
