

# Gold Foil

## Cleansing Gel

*Remove impurities  
hydrate deeply and enhance skin softness*

### INTRODUCTION

**Gold Foil Cleansing Gel** is a mild but effective facial cleanser that draws out impurities, excess oil and pollutants with a refreshingly light touch. **Potassium Lauroyl Sarcosinate** and **Potassium Cocoyl Glycinat**e act as fairly mild surfactants that come in rich and stable creamy forms that remove excess sebum without drying the skin. **Glycerin** helps the skin retain the moisture and improve the appearance of dry skin.

### MAIN INGREDIENTS

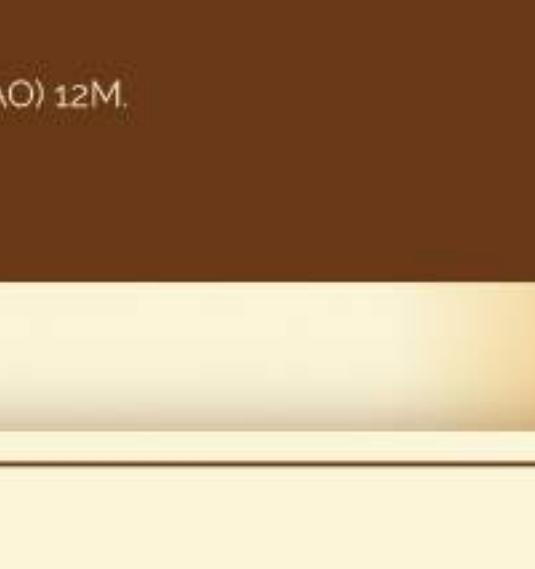

#### Potassium Lauroyl Sarcosinate

Potassium Lauroyl Sarcosinate acts as a fairly mild surfactant with superior foaming capacities to draw out impurities and dirt from the skin without drying out.

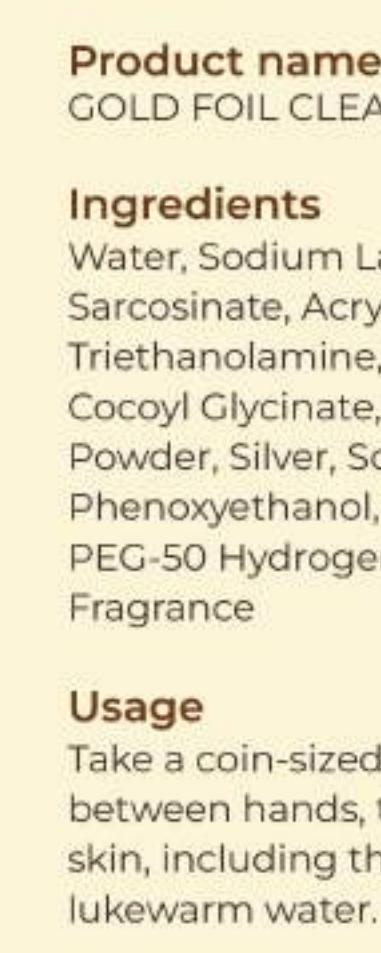

#### Glycerin

Glycerin acts as a humectant to hydrate and soften the skin. It can penetrate the skin barrier and retain the skin's moisture to promote a healthy skin barrier. It also has the ability to plump the look of skin and minimize the appearance of wrinkles and fine lines, thereby giving the skin a youthful appearance.

#### Gold

Gold has powerful antioxidant properties that heal the skin and reduce skin inflammation.

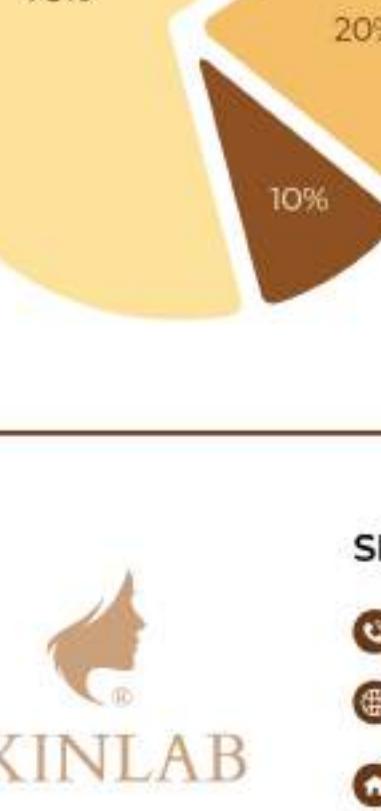

#### Step 1

Take a coin-sized amount of the cleansing gel and work between hands, then apply to the face.

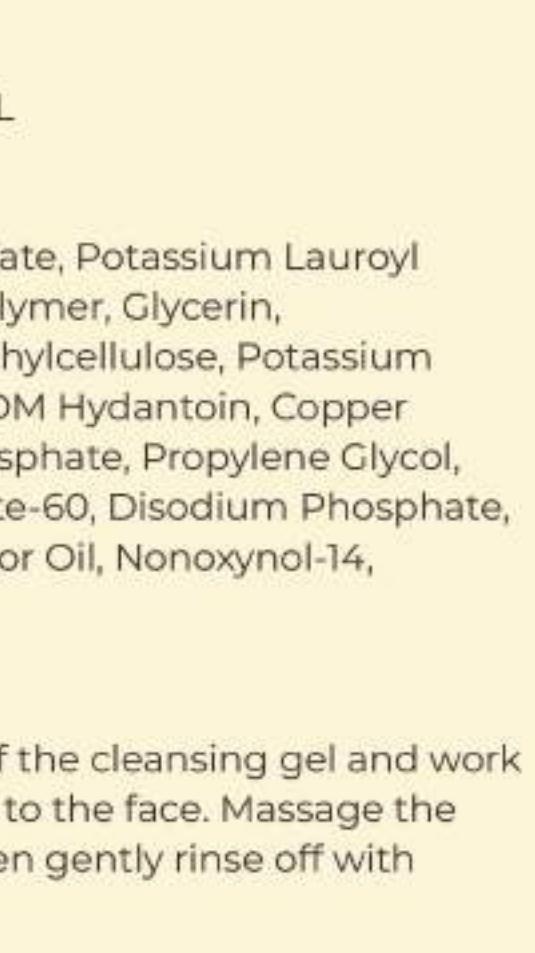

#### Step 2

Massage the skin, including the neck
