

Sakura

TONER

Soothes, moisturizes, whitens and smooths skin

INTRODUCTION

The main ingredient in **Sakura Toner** is **Prunus Yedoensis Leaf Extract**, which helps to improve skin roughness and whiten the dull skin. **Aloe Barbadensis Leaf Juice** helps soothe the irritated skin to reduce redness and heal the wound. **Sodium Hyaluronate** acts as a potent moisturizing agent, which is smaller than hyaluronic acid and can penetrate deeper into skin, thus providing intense hydration beyond the skin's surface. **Sodium Polyglutamate** enhances the elasticity and softness of the skin.
