

# VIT B3

## T O N E R

*Glow Brighter  
Soothe Deeper*

### INTRODUCTION

A toner contains **Allantoin** and **Niacinamide** to combat skin dullness, dryness and irritations. These authentic ingredients soothe and protects skin from harmful radicals as well as protecting the skin barrier from moisture loss and damages from external pollutants. The **Citrus Reticulata (Tangerine) Peel Extract** essentially aiding in anti aging properties of the skin from its ability to promote collagen productions and other compounds for skin brightening and toning . It helps in reducing dark spots due to melanin inhibitions hence giving a clearer skin complexion. **Sodium polyglutamate** found in this toner functions to moisturize skin to the deepest layers of the skin from its high ability to attract water into the skin and locking the moisture inside . The skin remains soft, smooth and supple. In addition, **Sodium Hyaluronate** enhances skin barrier systems while preserving skin water content.

### MAIN INGREDIENTS

#### Allantoin
