

Anti-Acne Serum

Radiant skin renewed freshness

INTRODUCTION

Anti-acne Serum is an advanced formula that clears existing active acne and prevents new acne from surfacing. It contains **Salicylic Acid** and **Niacinamide** to prevent breakouts and improve overall skin tone. **Allantoin** helps stimulate wound healing and soothes irritated skin. **Microcitrus Australasica Fruit Extract** acts as AHAs to gently exfoliate the topmost layer of the skin for a smoother, brighter and even skin complexion. **Sodium Hyaluronate** provides intense hydration beyond the skin's surface and to regulate excess sebum.

MAIN INGREDIENTS

Salicylic Acid

Salicylic Acid is an excellent pore-clearing ingredient that has exfoliating properties and helps prevent future breakouts. It also removes dead cells from the topmost layer of the skin and promotes wound healing.

Niacinamide

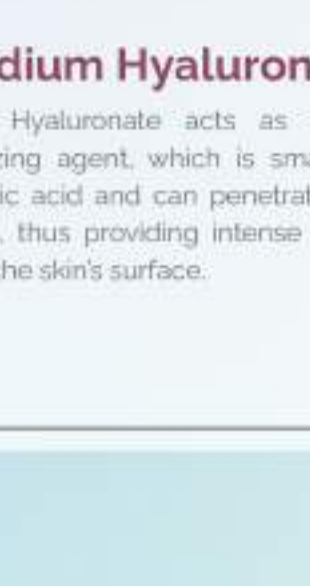

Niacinamide, also known as vitamin B3, is a water-soluble vitamin suitable for all skin types. It promotes brighter-looking skin, regulates oil production, reduces enlarged pores and protects skin against signs of premature aging.

Allantoin

Allantoin is a naturally-occurring compound that helps moisturize the skin, reduce itchiness, stimulate the healing of wounds, thereby improving the overall appearance of the skin.

Microcitrus Australasica Fruit Extract
Microcitrus Australasica Fruit Extract is AHAs extracted from Caviar Lime, which helps to provide gentle skin exfoliation for a smoother, brighter and even skin complexion.

Melaleuca Alternifolia (Tea Tree) Leaf Oil

Melaleuca Alternifolia (Tea Tree) Leaf Oil possesses antibacterial and anti-inflammatory properties that helps reduce inflammation, promote healing wounds and soothe dry, itchy, and oily skin.

Sodium Hyaluronate

Sodium Hyaluronate acts as a potent moisturizing agent, which is smaller than hyaluronic acid and can penetrate deeper into skin, thus providing intense hydration beyond the skin's surface.

MAIN FUNCTION

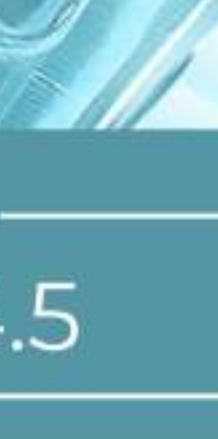

Reduces Active Acne

Skin Exfoliation

Skin Moisturizing

Skin Brightening

PH

3.5 - 4.5

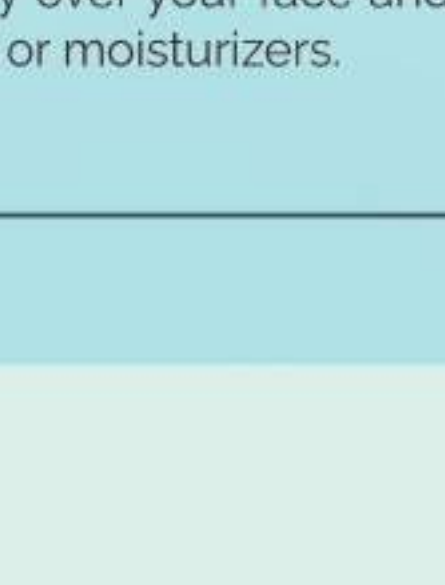

APPEARANCE

Transparent serum

SUITABLE SKIN

All skin types

DIRECTION FOR USE

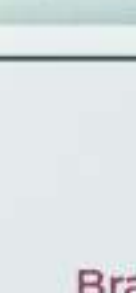

Apply evenly over your face and neck before creams, oils or moisturizers.

Precaution/Warning

If the product directly introduced into eyes, immediately rinse eyes until no more irritation. If irritation persists, seek for medical advice.

Storage Conditions

Room Temperature (24-27°C), please avoid High temperature storage.

Period-after-opening (PAO) 12M.

PRODUCT INFORMATION

Brand

SKINLAB

Product name

ANTI-ACNE SERUM

Ingredients

Water, Salicylic Acid, Polysorbate 20, Hydrolyzed Sclerotium Gum, Butylene Glycol, Polydextrose, Dextrin, Phenoxyethanol, Allantoin, Glycerin, Microcitrus Australasica Fruit Extract, Amylopectin, Niacinamide, Chlorphenesin, Sodium Hyaluronate, Melaleuca Alternifolia (Tea Tree) Leaf Oil

Usage

Apply evenly over your face and neck before creams, oils or moisturizers.
