

MOIST

Serum

Hydrate, Smooth & Revitalize

INTRODUCTION

Moist Serum is a highly moisturizing serum which is formulated to quench dryness, smoothen the appearance of dry lines, thereby leaving the skin soft and revitalized.

It is enriched with Glycerin, Sodium Hyaluronate and sodium Polyglutamate. **Glycerin** works to strengthen the skin barrier by retaining moisture from within. **Sodium Hyaluronate** acts as a potent moisturizing agent, which is smaller than hyaluronic acid and provides intense hydration beyond the skin's surface. **Sodium Polyglutamate** enhances the elasticity and softness of the skin.

MAIN INGREDIENTS

Glycerin

Glycerin is a powerful hydrating ingredient that works to strengthen the skin barrier by retaining moisture from within. It has the ability to soften and improve the appearance of rough and dry skin. It also helps to temporarily pump the look of skin and minimize the appearance of fine lines and wrinkles, thereby giving the skin a younger-looking appearance.

Sodium Hyaluronate

Sodium Hyaluronate acts as a potent moisturizing agent, which is smaller than hyaluronic acid and can penetrate deeper into skin, thus providing intense hydration beyond the skin's surface and visibly smooth fine lines.

Sodium Polyglutamate

Sodium Polyglutamate is extracted from soybean fermentation, an ingredient that provides long-lasting moisturization, thus enhancing the elasticity and softness of the skin. It can penetrate into the stratum corneum to smooth the wrinkles and brighten the skin.

MAIN FUNCTION

Deep Moisturization

Improve Skin Firmness

Reduce Fine lines & Wrinkles

PH

5.0 - 7.0

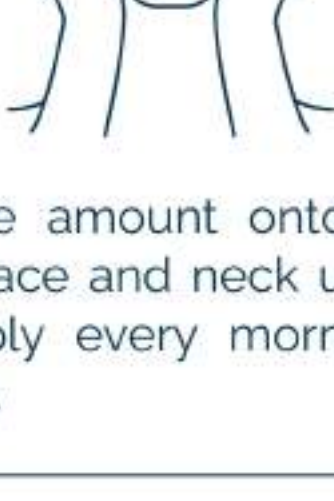

APPEARANCE

Transparent serum

SUITABLE SKIN

All skin types

DIRECTION FOR USE

Pour moderate amount onto palm, gently smooth onto face and neck until thoroughly absorbed. Apply every morning and night after cleansing.

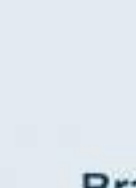

Precaution/Warning

If the product directly introduced into eyes, immediately rinse eyes until no more irritation. If irritation persists, seek for medical advice.

Storage Conditions

Room Temperature (24-27°C), please avoid High temperature storage.

Period-after-opening (PAO) 12M.

PRODUCT INFORMATION

Brand
SKINLAB

Product name
MOIST SERUM

Ingredients

Water, Glycerin, Butylene Glycol, Sodium Hyaluronate, Xanthan Gum, Sodium Polyglutamate, Hydroxyethylcellulose, Phenoxyethanol, Chlorphenesin.

Usage

Pour moderate amount onto palm, gently smooth onto face and neck until thoroughly absorbed. Apply every morning and night after cleansing.
