

# Moisturizing Cream

*Gentle Hydration  
Deep Nourishment*

## INTRODUCTION

**Moisturizing Cream** is a cream which provides a light and soft skin feel with an amazing skin comforting sensory. **Aloe Barbadensis Leaf Juice** helps dehydrated skin to lock in moisture and restore the natural protective barrier of skin. **Squalane**, **Glycerin** and **Sodium Hyaluronate** act as potent moisturizing agent to retain the skin's moisture to promote intense hydration beyond the skin's surface. **Citrus Reticulata (Tangerine) Peel Extract** repairs skin's vital barrier to help skin look firmer and younger.

## MAIN INGREDIENTS

### Aloe Barbadensis Leaf Juice

Aloe Barbadensis Leaf Juice is a potent hydrating ingredient that helps dehydrated skin to lock in moisture. It has soothing and anti-inflammatory properties to heal wounds, combat free radical damage and restore the natural protective barrier of skin.

### Squalane

Squalane helps reduce moisture loss from the skin to keep skin hydrated. It also repairs skin's vital barrier to help skin look younger.

### Glycerin

Glycerin acts as a humectant to hydrate and soften the skin. It can penetrate the skin barrier and retain the skin's moisture to promote a healthy skin barrier. It also has the ability to plump the look of skin and minimize the appearance of wrinkles and fine lines, thereby giving the skin a youthful appearance.

### Sodium Hyaluronate

Sodium Hyaluronate acts as a potent moisturizing agent, which is smaller than hyaluronic acid and can penetrate deeper into skin, thus providing intense hydration beyond the skin's surface.

### Citrus Reticulata (Tangerine) Peel Extract

Citrus Reticulata (Tangerine) Peel Extract is an ingredient that provides whitening, moisturizing, anti-aging and anti-oxidation benefits, thus giving the skin a luminous glow. It helps to improve the transparency of the stratum corneum and the brightness of the skin.

## MAIN FUNCTION

Skin Recovery

Improve Natural Protective Barrier

Enhances Skin's Moisture & Softness

## PH

5.0 - 7.0

## APPEARANCE

Opaque cream

## SUITABLE SKIN

All skin types

## DIRECTION FOR USE

Apply evenly over your face and neck. For better results, gently massage after application.

### Precaution/Warning

If the product is directly introduced into eyes, immediately rinse eyes until no more irritation. If irritation persists, seek medical advice.

### Storage Conditions

Room Temperature (24-27°C), please avoid High temperature storage.

Period-after-opening (PAO) 12M.

## PRODUCT INFORMATION

### Brand

SKINLAB

### Product name

MOISTURIZING CREAM

### Ingredients

Water, Aloe Barbadensis Leaf Juice, Squalane, Glycerin, Butylene Glycol, Sodium Hyaluronate, Sodium Acrylates Copolymer, Citrus Reticulata (Tangerine) Peel Extract, Lecithin, Phenoxyethanol, Xanthan Gum, Fragrance, Chlorphenesin
