

Moisturizing Hair Shampoo

INTRODUCTION

A lightweight, nutrient-rich shampoo designed to deeply cleanse hair while preserving natural oils. The mild formulation delivers ultimate hydration, penetrating deep into hair roots for healthier-looking hair all day.

KEY BENEFITS

Eliminates impurities and removes excess sebum.

Scalp soothing with long-lasting nourishment.

Hair moisturizing and follicle strengthening for thicker, fuller hair.

MAIN INGREDIENTS

Cocamidopropyl Betaine

Hydrates and cleanses hair, reducing the drying effects of harsher detergents.

Sodium Methyl Cocoyl Taurate

Mild and moisturizing, this surfactant and foaming agent is perfect for sensitive skin and hair.

Cocamide DEA

enhances lather and improves hair manageability, promoting healthier hair.

1,3-Propanediol

A natural humectant that locks in moisture and improves nutrient absorption for both skin and hair

Aloe Barbadensis Leaf Extract

Packed with vitamins (A, C, E, B12, folic acids), this extract strengthens hair, promotes growth, and reduces hair loss.

Panthenol (Vitamin B5)

Seals the hair cuticle, smoothing each strand, locking in moisture, and preventing frizz and split ends.

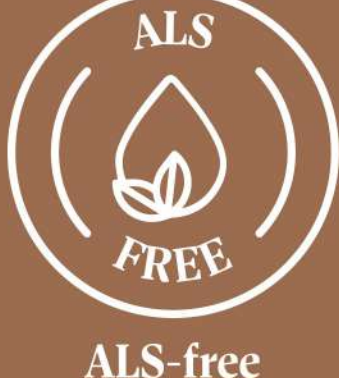

FREE OF

SLS-free

SLES-free

ALS-free

ALES-free

Paraben-free

HOW IT WORK

Deep Cleansing

Removal of dirt, excess oils and impurities.

Nourishing the Scalp

Soothing irritation, reducing redness, and stimulating blood circulation for hair growth

Hair Strengthening

Hydrating and protecting each hair strand to reduce breakage and enhance volume.

DIRECTION FOR USE

Step 1 | Apply a small amount to damp hair and scalp.

Step 2 | Massage to release the lather.

Step 3 | Work through hair and scalp.

Step 4 | Rinse thoroughly
