

Citrus

Sunscreen

Shield and rejuvenate  
fights wrinkles and dryness

INTRODUCTION

**Citrus Sunscreen** contains SPF, anti-blue ray, anti-aging and moisturizing ingredients. Besides, it also helps to diminish the appearance of common fine lines around the face while correcting uneven skin tone with light coverage finish. It also helps to enhance the skincare routine as it also acts as a nourishing moisturizer or skin primer for an instantly glowing finish.

Citrus Sunscreen's main ingredient is **Citrus Reticulata (Tangerine) Peel Extract**, which helps to improve the transparency and brightness of the skin. The presence of **Titanium Dioxide** helps protect the skin from short-wave UVA and UVB radiation, while **Iron Oxide** helps protect the skin against the HEV light. In addition, **Hexapeptide-9** is a collagen peptide that helps smooth and reduce the appearance of wrinkles.

MAIN INGREDIENTS

Citrus Reticulata (Tangerine) Peel Extract

Citrus Reticulata (Tangerine) Peel Extract is an ingredient that provides whitening, moisturizing, anti-aging and anti-oxidation benefits, thus giving the skin a luminous glow. It helps to improve the transparency of the stratum corneum and the brightness of the skin.

Titanium Dioxide

Titanium Dioxide helps to protect the skin from short wave UVA and UVB radiation. In addition, it is considered no risk of skin sensitivity which means that it is a good sunscreen active for sensitive or redness-prone skin.

Hexapeptide-9

Hexapeptide-9 is a collagen peptide which helps to strengthen structural tissues by naturally interacting with skin cells to promote the rejuvenation process. Besides, it also helps to smoothen and make the skin firm. This in turn helps to decrease the appearance of wrinkles by promoting the synthesis of dermal protein.

Iron Oxide

Iron oxide is an ingredient that effective at absorbing visible light to protect the skin from the HEV light. It is suitable for those with sensitive skin as it is non-toxic and non-allergenic.

MAIN FUNCTION

Protection against UV radiation and blue ray

Skin Tone Up

Skin Moisturizing

Anti-aging

PH

5.0 - 7.0

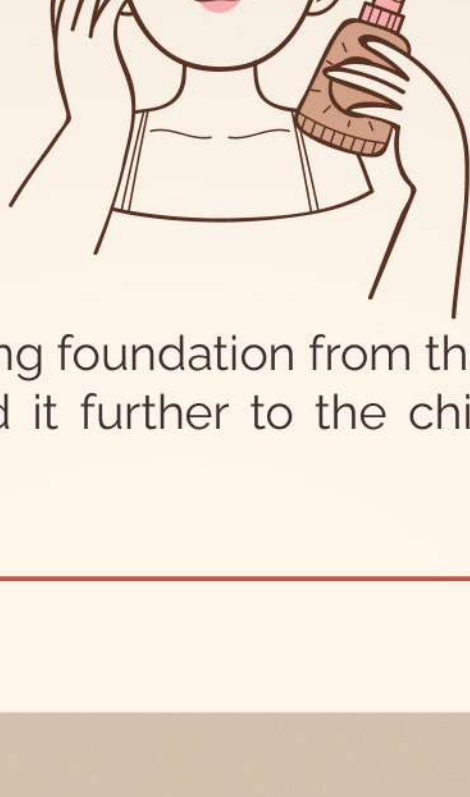

APPEARANCE

Opaque cream

SUITABLE SKIN

All skin types

DIRECTION FOR USE

Start applying foundation from the cheek and then spread it further to the chin, eyes and forehead.

Precaution/Warning

If the product is directly introduced into eyes, immediately rinse eyes until no more irritation. If irritation persists, seek medical advice

Storage Conditions

Room Temperature (24-27°C), please avoid High temperature storage.

Period-after-opening (PAO) 12M.

PRODUCT INFORMATION

Brand

SKINLAB

Product name

CITRUS SUNSCREEN

Ingredients

Water, Cyclopentasiloxane, Titanium Dioxide, Butylene Glycol, Glycerin, Citrus Reticulata (Tangerine) Peel Extract, Phenyl Trimethicone, Cyclohexasiloxane, C12-15 Alkyl Benzoate, Cetyl PEG/PPG-10/1 Dimethicone, Lauryl PEG-10 Tris(trimethylsiloxy)silylethyl Dimethicone, Betaine, Sodium Chloride, Silica, Stearalkonium Hectorite, Citrus Aurantium Dulcis (orange) Peel Oil, Niacinamide, CI 77492, Triethoxycaprylylsilane, Phenoxyethanol, Aluminum Hydroxide, CI 77491, Dimethicone/Vinyl Dimethicone Crosspolymer, Tocopherol, Portulaca Oleracea Extract, Hydroxyacetophenone, Ethylhexylglycerin, Hexapeptide-9, Lactobacillus/Soymilk Ferment Filtrate, Polyacrylamide, C13-14 Isoparaffin, Laureth-7, Fragrance, Disodium EDTA, Sodium Hyaluronate, Pentylene Glycol, Scutellaria Baicalensis Root Extract, GlycyrrhizaInflata Root Extract, Sophora Angustifolia Root Extract, Perilla Ocymoides Leaf Extract, 1,2-Hexanediol, Avena Sativa (Oat) Kernel Extract, Caprylyl Glycol

Usage

Start applying foundation from the cheek and then spread it further to the chin, eyes and forehead.
