

Cleansing Milk

*Gentle care
Deep hydration*

INTRODUCTION

Cleansing Milk is a mild but effective facial cleanser crafted to remove light makeup, dirt, and impurities while providing essential hydration and supporting overall skin health. **Isoamyl Laurate**, **Mineral Oil**, **Butylene Glycol** and **Hydrogenated Polydecene** serve as emollients that break down makeup and impurities, leaving the skin feeling luxuriously smooth. **Glycerin** helps lock in moisture, ensuring that the skin remains hydrated and refreshed even after cleansing.

MAIN INGREDIENTS

Isoamyl Laurate

Emollient that dissolves and removes makeup smoothly

Glycerin

Humectant that attracts and retains moisture during makeup removal

Mineral Oil

Effective solvent that breaks down makeup and impurities while moisturizing the skin

Butylene Glycol

Moisturizing agent and solvent that helps dissolve makeup and improves product texture

Hydrogenated Polydecene

Lightweight, non-greasy emollient that dissolves makeup and leaves skin soft

MAIN FUNCTION

Removes light makeup, impurities and dirt on the skin

Skin moisturizing & hydrating

pH
5.0 - 7.0

APPEARANCE

Opaque white cream

SUITABLE SKIN

All skin types

DIRECTION FOR USE

Step 1

Take a coin-sized amount of the cleansing milk and work it between your hands. Apply it to your face and neck.

Step 2

Gently massage in a circular motion, then rinse thoroughly with lukewarm water.

Precaution/Warning

If the product is directly introduced into eyes, immediately rinse eyes until no more irritation. If irritation persists, seek medical advice.

Storage Conditions

Room Temperature (24-27°C), please avoid High temperature storage.

Period-after-opening (PAO) 12M.
